

ANJEE AWARDS PROGRAM

ANJEE Awards for Excellence in the field of Environmental Education shall be given each year at the annual conference. See attached for list of awards categories, criteria and procedures.

THE GOALS OF THE ANJEE AWARDS PROGRAM ARE:

- Provide support to individual environmental education practitioners by recognizing excellence.
- Enhance the status, perception and public awareness of environmental education through a statewide awards program.
- Promote the field of environmental education as an important discipline in schools.

The Alliance for New Jersey Environmental Education

EXCELLENCE IN ENVIRONMENTAL EDUCATION AWARDS

The State of New Jersey is filled with talented environmental educators. Each year, the Alliance for New Jersey Environmental Education acknowledges a select few. Winners will be honored at the ANJEE awards banquet at the annual New Jersey Environmental Education Conference.

ANJEE membership is not a requirement for the nominee or the person nominating them. In case of a close decision between nominees, however, ANJEE membership will be a plus. Current members of the ANJEE Executive Board or ANJEE Advisory Council are not eligible for these awards.

CATEGORIES & CRITERIA

Formal Sector - Individual OR Partnership

1. The nominee's EE activities have made an impact on or were effective in changing or supplementing current curricula, or have been used successfully by others.
2. The nominee's EE activities have emphasized and/or practiced the "awareness to action" process with those for whom the activities were intended.
3. (Partnership Award) The cooperative involvement of two or more educators from different disciplines, the working relationship between them, and how the project benefited from it.

Nonformal Sector - Works with Schools OR Works with the Public at Large

1. The nominee has the ability to develop creative, innovative interpretive materials, activities, programs or facilities
2. The nominee's EE activities emphasized and/or practiced the "awareness to action" process with those for whom the activities were intended.

Patricia R. Kane Lifetime Achievement Award

1. The nominee has shown a commitment to EE activities for most of his/her professional life.
2. The nominee is a current resident of NJ and detailed EE activities have proven to benefit residents of the state.
3. The nominee's activities have the potential to be used by others in the field as measured by publication and distribution.
4. The nominee's EE activities emphasized and/or practiced the "awareness to action" process with those for whom the activities were intended.
5. The nominee has evolved into a leader in the field of EE, through vocation or avocation.
